9:00 am to 12:00 pm

### Location

*Closet & Cabinet Experts LLC*

Savannah, GA

### Audience

Any customer within 100 miles that is still working with a Slider, and considering moving up to a CNC.

### Workshop Takeaway(s)

John Ridgway will talk about going from a sliding table saw and screw construction, to a Nested based CNC and Dowel construction.

- How much space does it take up?
- Will I have enough work to keep the machine busy?
- What is involved in programming it?
- Do I need a skilled person to operate the machine?
